

Lockview High School Course Correction Procedures

Course changes will only occur twice within the school year, once in the first week of September and again in January for second semester. Course changes are only considered in the following circumstances:

1. The scheduling process has resulted in an incomplete schedule
2. A student does not have a pre-requisite for a course in their schedule OR the course and its pre-requisite are scheduled in reverse order
3. A course is scheduled for which a credit has been previously granted
4. A failing grade in a was obtained in a required course and it needs to be repeated
5. A student was unsuccessful in a course and wants to change academic levels ie Math 11 to Math at Work 11
6. A grade 11 or 12 student who is carrying more than the required course load (8 for Gr 11 or 7/8 for grade 12) would like to drop the extra course.

A course change request is also granted for the following prioritized reasons:

7. A potential graduate lacks a required course to complete graduation requirements
8. A student requires a course for their identifies post-secondary path

Students can request course change if it falls within the criteria above at the end of the first day of classes. A Google form will be posted in each grade level Google classroom. All students were emailed an invitation to join their class last week.
