

Lockview High School Awards Criteria

At Lockview High School we know how important it is to value and celebrate our student success.

We use the following criteria when calculating averages for student recognition:

- Averages will be calculated using all courses the student was enrolled in for the current year using a straight average.
- There is no minimum number of courses to be enrolled in to qualify for the mark distinctions.

There are three categories of recognition (Honours, High Honours, and Principal's List)

Honors	High Honors	Principal's List
80% - 84.9%	85%- 89.9%	90% or above
